Goins' new Albero di Vita screen

Raymond Goins

## Modern Classics

**EXCLUSIVE** His hand-painted screens and panels have long been appreciated by the design savvy, and now Atlanta artisan **Raymond Goins** is giving them another reason to be grateful. This furniture maverick has just introduced an impressive lifestyle collection of timeless pieces indicative of his singular style. Each piece is personally designed by Goins and manufactured—right down to the hand-crafted finishing touches—in the R.L. Goins Studio. Thanks to this new line, local style just took another giant step forward.

**WHERE TO SHOP** Grizzel & Mann, ADAC, (404) 261-5932.
